## Loving LessonPix!!

- Debbie W.S., GA

Just renewed my LessonPix -  
Custom Learning Materials  
membership, because it's  
AWESOME!

- Kim L., NC

Hands-down, LessonPix ranks  
as one of the top must haves  
for a school SLP.

- Seana E.,

I love that that I can access  
Lessonpix from anywhere,  
anytime I need materials.

- Katie M., AK

The very best site for visual  
support for kids with special  
needs and education that I have  
ever seen! VERY affordable-  
this is a must see for anyone  
with a child with special needs.

- Sidther

Paid my \$36 and "got her done".  
About 1/10 the time of trying to  
do apraxia cards with google i  
mages. I feel very decadent  
spending it since my school  
owns board maker, but it's soooo  
easy to do from home!
